

ANTONY NEWS

07th June 2019

I hope you all had a lovely half term last week. I can't quite believe we only have 7 weeks left of term!

We had a great start to the week with the Year 3 children going on a raft building trip to Roadford Lake. Our children showed great teamwork and sportsmanship throughout the day and thoroughly enjoyed being in the water and competing with the other schools. I am very proud to say that our children came 2nd in the race, narrowly missing first place. A great time was had by all and the children came back to school with great big smiles on their faces and good stories to tell! Thank You to Mrs Matthews and Mrs Mitcham for taking the children and ensuring that they had a brilliant time.

Even though this is the last half term of the academic year, we have no intention of slowing down! The year 4 residential to Cardiff will take place next week and the children are really looking forward to spending time away, with their friends, and exploring the wonderful sights that Cardiff has to offer.

Today, we celebrated the Queen's birthday. Unfortunately, the weather scuppered our plans of team games outside but we were able to have a picnic-style school dinner and wave our flags in celebration. Thank you to two of our ASA members for setting up the hall for the children.

A letter regarding sports day has gone home today. Hopefully we will see you all (weather permitting) on Monday 17th June. Until then, have a lovely weekend.

Many Blessings

Carly Passco.
