

ANTONY NEWS

17th June 2019

It has been yet another busy week at Antony School. The children from Year 4 had two days away in Cardiff where they were able to visit St Fagan's museum, Technquest and the Big Pit, amongst others. The Big Pit was a clear favourite, with the children exploring the mine 100m below the ground. Thank you, as always, to Miss Allan and Mrs Matthews for taking the children and ensuring that they had an amazing time!

Year 2 children completed a stream scramble this week. They paddled through the water, over rocks and under branches! They got thoroughly wet and had an amazing time with the Year 2 children from our other schools in the Trust.

We finished the week on Friday with a whole school alternative sports festival. The children had the opportunity to try out fencing, golf frisbee, lacrosse and croquet. It is wonderful to be able to offer the children the chance to have a go at a range of sports that most have never experienced before.

We are keeping our fingers crossed for good weather for our upcoming Sports Day on Monday and our MAT Regatta on Thursday.

Many thanks for your continued support

Many Blessings

Carly Passco.
