

ANTONY NEWS

21st June 2019

It has been a very sporty week for us all at Antony. We started the week with our school Sports day. Thank you to everyone for coming out to support the children and their 'Flocks.' A huge congratulations to Swaledale for winning the event and taking charge of the trophy. I was so impressed with the competitive spirit shown by the children and the way they worked and supported their teammates. Well done to all the parents too for a great tug-of-war effort!

The MAT Regatta took place on Thursday. Unfortunately the weather wasn't very kind to us but that did not dampen the children's spirits. They were able to take part in beach art, beach olympics, welly wanging and body boarding. Thank you to everyone involved with the organisation, especially those parents who came along with us to look after the children.

The year 3 children are off to Dorset on Monday next week. We will keep you posted via our Facebook page. Fingers crossed the weather is kind to us and we find plenty of fossils on our Jurassic adventure.

We are celebrating Armed Forces Day on Friday. This is a great opportunity to raise money to support the brave men and women in the services and to acknowledge everything that they have done for us.

Have a wonderful weekend
Many Blessings

The Antony Team
