03.06.19	<i>First day back to school!</i>
25.07.19	<i>Last day of school before the summer holidays!</i>

Dear Parents,

Last week, Fletcher Class went to St Martin's School and took part in a day of science workshops! The children were able to get involved with experiments and watch close up demonstrations, including rockets being fired outside and an indoor explosion. The children came back to school very excited about their day. Class Fletcher showed great team work, well done!

On Monday some of Potter Class had the opportunity to take part in Bikeability Level 1! This is the first level cycling proficiency test run by Arena and led by Penny Allan. All of the children who attended the course passed! A big thank you goes out to Sarah Matthews, who volunteered to help Penny and the children.

Year 4 Children spent Tuesday afternoon at Mount Edgcombe Park with a team from Survival Wisdom. The children learnt how to gain information using gridlines and plot areas of interest on a map. The children were also given compasses and learnt how to use our environment to work out if we are facing North, South, East or West. The weather was awful and both children and adults were wet and cold but they all persevered through. Well done Year 4!

Have a wonderful weekend.

Many Blessings,  
Carly Passco.

Toby Stock

'Focus Award'

**Longwool**

Miky Stevens

**Herdwick**

Maddie Burden

**Soay:**

Tyler Brown

**Swaledale:**

Niamh Watts

## Fizz Free February!

The challenge is to drink 8-10 200ml glasses of fizz-free (and alcohol-free) fluid every day for a month!

Please use the link below and take a look (<https://www.behealthyatwork.org/what-we-do/fizz-free-february/>)

## Can you help?

**Rosen Class would really like donations of plastic bottles plastic.**

Our whole school attendance for this week was 95.60%!
