

ANTONY NEWS

3rd May 2019

The children have spent time during their English lessons this week learning their class story maps. The children are really excited about the upcoming story competition. This is a great way to show off all the new vocabulary they have learnt which allows the children to write really detailed and exciting stories of their own. Will Fletcher class remain the champions or can they be beaten?

The Year 1 children are off on an adventure to Cardinham Woods on Tuesday to take part in the annual Bear Hunt. Please pack lots of spare clothing as they will get extremely wet and muddy. I am really looking forward to hearing all of their stories on their return.

Potter class have been monitoring their broad beans very closely this week. This is part of a class science experiment to learn about what plants need to survive. The results so far are not quite as predicted but there is still time to see which ones will sprout the quickest!

Rosen class made 'stained glass' jellyfish this week which are catching the light beautifully through the window.

There are lots more exciting activities planned for next week. Until then, enjoy the bank holiday weekend.

Many Blessings

Carly Passco.

Awards For this week	Donaldson	Rosen	Potters	Fletcher
