

ANTONY NEWS

5th July 2019

Year 6 spent 3 days on their Cornwall Expedition Residential this week. They cycled and hiked to St Issey where they built their shelters and enjoyed a hearty stew cooked on the fire. Day 2 involved an even longer hike and a ferry ride to Polzeath where there was a surfing lesson and pasties awaiting. Dinner that evening was a BBQ of burgers and sausages. The final day involved a boat trip and sea fishing!

The children were very busy and are, quite rightly, very tired. However, their behaviour was impeccable, their attitude towards all tasks was fearless and their companionship and support to all present on the trip was highly commendable. Miss Allan is extremely proud of all of them and hopes they have come away with memories and life lessons they will keep and treasure forever. She also hopes that they have now enjoyed a long shower and a good sleep in a real bed!

We have been having the most wonderful weather this week. The children have been out and about as much as possible and it has been lovely to have the choice to take our lessons outside. Our Junior Worship Team held an assembly this week on keeping safe whilst in the sun. The children were reminded to play in the shade if they felt hot, to wear a hat, drink plenty of water and to apply sun cream. If the warm weather stays with us, you can help by making sure your children come to school with sun cream already applied and by allowing them to bring sun cream into school to apply again at lunchtime.

Just a polite reminder that if you need to come into school, for any reason, please come via the main entrance.

There will be no after school enrichment activities on Friday the 19th July due to beach day.

Have a wonderful weekend
Many Blessings

The Antony Team

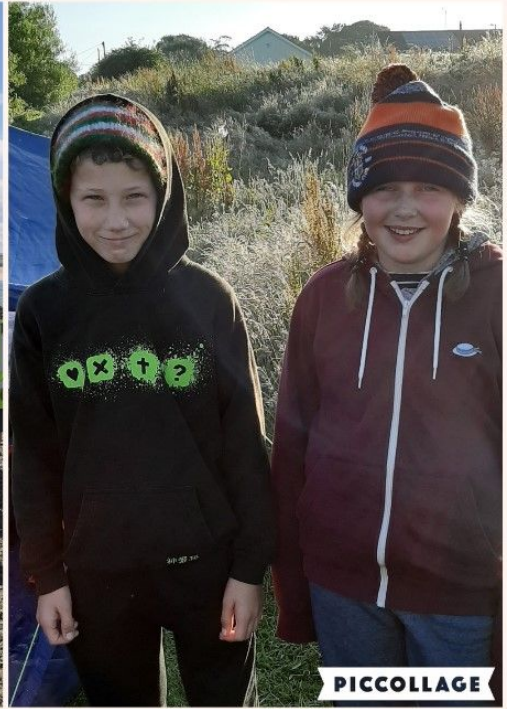

Awards For this week	Donaldson	Rosen	Potters	Fletcher
Star Reader	Jeorgie	Olivia	Frankie	Keira
Dazzling Writer	Lucas C-W	Owen	Laurence	Mikey
Mega Mathematician	Jasmine	Eva	Ruby	Cameron
