11.01.19	Trip to Plymouth Theatre Royal to watch the Pantomime, Dick Whittington!

Nasal Flu Vaccination

This year the NHS have set up e-consent for the nasal flu vaccination. The vaccination is on offer to all Reception children right through to our Year 5's.

If you have missed the email sent out to you and require a paper consent form, please contact Natalie in the office and she will send one home with your child.

A message from Miss Passco....

Dear Parents,

Year 5 children took part in an expedition on Bodmin Moor this week. Although they didn't make it to the top of Brown Willy, due to adverse weather conditions, the children came back to school buzzing about their day out and had many fantastic stories to tell the rest of their class.

The whole school watched an amazing production of The Wizard of Oz this morning and were enthralled with the sound effects and music. The children sang along quite merrily and had a great time.

Year 2 children are off to St Nicolas school for their beach trip next week and Year 3 children will soon be going on their mountain bike challenge.

We are very excited to report that our Community Defibrillator is now fitted at school. It is sitting proudly in the main entrance. A huge thank you to the school council, the ASA and local businesses for raising enough money to afford such a life saving piece of equipment. Our next task is to raise enough money for a secure cabinet so the defibrillator can be fixed outside the school building.

Have a wonderful weekend.

Many Blessings,
Carly Passco.
