Dear Parents,

I would like to take the opportunity to thank all of our children and parents for their continued support. This has been a really busy half term with lots of wonderful learning and class trips happening across the school. Thank you to all the parents who have given up their time to help with school events and excursions out and about in the community.

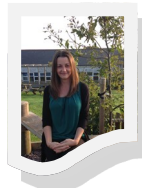

The year 3 children are really looking forward to their den building morning at Antony House next week. I am just keeping my fingers crossed for good weather. The whole school participated in the Big School Bird Watch this week and were able to identify many common garden birds. All of this data will be submitted to the RSPB to help them with their research.

The children are really excited about our upcoming 'School Takeover Day.' The application forms are very interesting to read! Thank you to all those children who have applied so far.

Please keep an eye out for information regarding a school art exhibition and kite flying day!

Have a lovely weekend.

Many Blessings,
Carly Passco.

Good luck today to our Cross-Country runners who are off to a very windy, wet and muddy Lanhydrock Estate. Results will be published next week.

Can you help?

Rosen Class would really like donations of plastic bottles.

Our whole school attendance for this week was 95.05%!
