

ANTONY NEWS

8TH March 2019

Good luck to our runners, who are taking part in the 3 mile Landrake cross-country run today. We will have the results ready for next week's newsletter.

I would like to thank the ASA for their fundraising efforts over the last two terms. With the money raised, we were able to purchase 10 new iPads for the children to use throughout the school.

The year 2 children had the most wonderful time at Plymouth Marine Aquarium. They spent the evening exploring the aquarium and learning lots about the sea life in and around the Plymouth Sound. They were then treated to a play and a late-night snack, before tucking themselves into their sleeping bags for a night next to the shark tank. Thank you to Miss Gray and Miss Spencer for organising a super trip and staying the night with our children. The year 2 children also went on a Pilgrimage to St Piran's Cross, in Perranporth this week. See above photos.

Today we have said goodbye to Mildred, Daphne, Dippy and Lucky. The children in Donaldson Class have done a wonderful job raising the new ducklings and have learnt a great deal about how they hatch and how to care for them.

We would however, like to welcome our new school Guinea Pig. He arrived on Wednesday to be a part of the school community. He will be named very soon, so watch this space!

We have been very busy in school this week, so please keep an eye on our Antony School Facebook page to see what wonderful adventures our children have been on. We are updating the page more and more to celebrate our fantastic school!

Awards For this week	Donaldson	Rosen	Potters	Fletcher
Star Reader	William Lentell	Florrie Zinn	Erin Davies	Esme Southworth
Dazzling Writer	Olivia Gough	Eva King	Grace Lentell	Ella Noak
