Evidence & Impact of the Primary Sport Premium Grant 2020-21

Please note there has been continued to be considerable disruption to the operational running of schools in 2020-21 caused by the pandemic. Schools have worked hard to maintain PE and sport for pupils both online and in school for those who were able to attend..

Adjustments made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2021:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none">● Increase in the number of different sports offered in curriculum time and after school● Increased uptake of sporting opportunities by pupils across the school● Programme of adventurous outdoor activities planned for all year groups (almost all completed despite COVID/lock-down)● Equipment for PE has been enhanced and expanded to include active play resources for each bubble during COVID restrictions.	<ul style="list-style-type: none">● Swimming provision - many pupils are not able to swim confidently - many have not been accessed in swimming since 2019.● Competition within school and across the MAT to increase chances to progress through grassroots levels● Teachers' knowledge and understanding of a range of PE curriculum areas - new teaching team

Swimming	
<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study.</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021.</p>	88%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above.</p>	75%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	88%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>Yes</p> <p>Expectation is that all Y6 can swim minimum of 100m given coastal nature of location</p>
